Coffee break for production workers
Tama factory 1950

It's good to have Tama

For over 70 years, Tama Group has been a trusted name in innovation, quality, and experience in the world of housewares.

Founded in 1950 by the Mishmar Ha'emek and Gal'ed kibbutzim, Tama has grown into a global company with around 1,800 employees, over 20 sales organizations, and 11 production sites in Israel and worldwide. What sets us apart? Decades of know-how, a passion for smart design, and a commitment to uncompromising quality. We offer a wide range of high-quality houseware products tailored to the needs of our customers – including restaurants, cafés, bars, hotels, event halls, catering services, and more. Our experienced distribution partners ensure efficient delivery to tens of thousands of customers across Israel and the globe, while all our products undergo strict quality control and meet the highest international standards. Tama Group is a well-established company with deep roots and a forward-looking vision.

Choosing Tama Group means getting top-quality products, professional customer service, and long-term reliability you can count on.
